

The Paw Door is a stylish and durable access solution for your favourite furry friends. Designed to integrate seamlessly with Invisi-Gard®, Alu-Gard®, Eco-Gard® and Vision-Gard® mesh screen systems. It features a simple, reliable latch for smooth operation and everyday use, allowing pets to move freely while maintaining the look and functionality of your existing screen.

Finished in sleek black, the Paw Door complements modern home designs and blends effortlessly with Alspec's range of mesh systems. Available in small, medium, and large sizes, it caters to a variety of pet breeds and sizes. Easy to install and designed with quality in mind, the Paw Door enhances your home's functionality without compromising style.
