Established in 1974, Alspec is the market leader in the design and distribution of innovative aluminium systems for the architectural, residential, industrial and home improvement markets.

Our range of quality products, that are extensively tested, together with our professional service ensures Alspec is uniquely positioned to support the growth of your business.

With a network over 750 staff and fourteen locations nationally, Alspec is 100% Australian owned.

## INNOVATIVE SYSTEMS

Alspec continues to invest heavily in Research and Development to ensure the latest technologies and design principles are applied into an ever increasing range of advanced systems. This provides the customer with fully tested systems that meet and/or exceed current and relevant Australian standards but also deliver on trend and aesthetics.

The Alspec Group is made up of a number of businesses that contribute to the built environment. These businesses ensure we are following our vision, to create a future where we are in every space.
