

Triser Sliding D-Pull Lock

Fabricator Brochure

The Triser Hardware range finds its inspiration in the striking square, sharp edges of the iconic 12 Apostles along the Great Ocean Road. Just as these natural marvels stand proudly against the elements, our hardware range embodies their strength and beauty, creating a lasting impression wherever they are installed.

Designed in Australia. Inspired by Australia.

Triser® 

Overview

The Triser D-Pull Back-to-Back Handle Kit is a bold, contemporary hardware solution designed to complement modern sliding door systems. Featuring a clean, architectural design, it provides a comfortable grip while enhancing the overall appearance of the door.

The lock body has a 30mm backset, and it features twin counter-acting beaks to engage the all-metal catch plate. It provides resistance to jimmying, and prevents the door from being lifted externally from its rails. A catch plate drilling jig is also included for accurate placement and straight forward fitting.

The D-Pull handles has a contemporary offset design to suit residential sliding door suites.

Key Features

High Corrosion Resistance

Engineered aluminium with a durable powder-coated finish delivers a high-quality, long-lasting handle for both residential and commercial applications.

Complete Back-to-Back Handle Kit

Consists of a mortice lock body and aluminium pull handles, which it is fitted as BTB (Back-to-Back) interior/ exterior handle set.

Enhanced Security Locking Mechanism

The lock body features a 30mm backset and incorporates twin counter-acting locking beaks that engage with an all-metal catch plate. This advanced locking mechanism provides enhanced resistance to jimmying and helps prevent the door from being lifted from its tracks from the outside, delivering improved security and peace of mind.

Compatible Systems

- Altitude® Sliding Door
- Carinya Classic Sliding Door
- Hawkesbury® Top Hung Commercial Sliding Door
- Swan Evo™ 45mm Shopfront Door
- ProGlide® High Performance Sliding Door
- ThermAFrame® Sliding Door
