Invisi-Gard by Alspec

At the heart of every Invisi-Gard security screen and security door is our high tensile 316 marine grade stainless steel mesh. The mesh used in Invisi-Gard sets the world standard in terms of its quality, precision and longevity.

Invisi-Gard security doors and screens are without question the best investment for your family's safety. They are also the best investment for the look and value of your home.

ACCREDITED MEMBER:

BAL Rated

Invisi-Gard is BAL rated to protect your home against bushfires in areas from BAL-LOW up to and including BAL-40.

INVISI-MAXX

Upgrade to Invisi-Maxx® for protection against cyclonic debris and ultra security protection from intruders.
